Acer Aspire Series Product Features

USB charging (Power off)

Plug and charge your devices via USB no matter your Notebook is power on or off. Quick charging of all of your USB devices such as Smart phones, MP3 players etc. without turning on your notebook PC.

Professional-tuned speakers - Applying technology from world class vendors, delivering high level surround sound

Dolby Home theater v4

Maximize volume output without distortion, and enjoy surround sound and dialog enhancement through professionally-tuned audio through PC speakers, headphone or a home theater connection.

Bluetooth® 3.0

Transfer of large data and multimedia files between devices without cables or wires. Utilizes MAC/PHY (AMP) technology for high-speed transfers up to 24 Mbps.

PowerSmart Long life battery
Long life battery for longer battery life and usage than ever. Super long battery life and up to 4 years usage.

1.3 MP webcam with AV recording

The integrated high-performance webcam with AV recording and built-in microphone offer optimal video capture and sound clarity for engaging in high-resolution face-to-face communication.

Chiclet keyboard with numeric keypad

Pro-summer look and feel, easy to clean efficiency, and typing with ease and comfort

Zero Power ODD

Power-saving sleep mode for optical drives extends battery life, translates to big savings, and helps conserve the Earth's energy resources

Acer Aspire Series Product Features

Multi-in-1 card reader with SDXC support

Supports the latest high-capacity storage media for file sharing, transfer and storage, including Secure Digital™ (SD 3.0), MultiMediaCard™ (MMC), Memory Stick™ (MS), and xD-Picture Card™ (xD).

Multi-gesture touchpad

Mouseless, fingertip convenience for zooming, rotating, navigating, and browsing.

Dolby Advanced Audio v2

Vibrant, engaging sound over any pair of speakers or headphones makes movies, music and games more realistic.

USB 3.0

Transfers data to and from external devices 10X aster than the previous generation, taking advantage of capabilities supported by many of the newest devices

Acer clear.fi media console

Digital freedom experience of CE, PCs and mobile devices in the home, to the cloud, and on the road.

Acer Crystal Eye 1.3 MP webcam and built-in microphone

The integrated high-performance webcam and built-in microphone offer optimal video capture and sound clarity for engaging in high-resolution face-to-face communication.

Textured Finish

The special texture offers visual richness while precluding fingerprint smudges, for a cleaner palmrest and extra tactile .

Acer CineCrystal ™ HD LED-backlit LCD

The HD display presents stunning high-definition viewing, while LED technology enables the display to consume less .

Aspire One D270 ::: Small Size, Great Fun — Wherever You Go!

India's 1st netbook on Intel's Cedar Trial Platform

Acer Aspire One D270

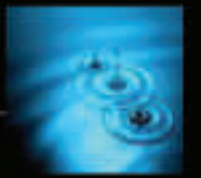

AOD 270(LU.SGA08.012) Black — EUP 17, 683*/-
